FULL TIME ACADEMIC CHILD AND ADOLESCENT PSYCHIATRIST Inpatient Program

London Health Sciences Centre and the University of Western Ontario, Schulich School of Medicine and Dentistry, Division of Child and Adolescent Psychiatry, have an excellent opportunity for a full time academic Child and Adolescent Psychiatrist in the Inpatient Program. London, Ontario, Canada is a city of over 330,000 people and is located two hours from Detroit, Buffalo, and Toronto.

The Child and Adolescent Mental Health Inpatient Program provides assessment and treatment for 11 children and adolescents, ranging in age from 10 to 17. The Inpatient Unit sees a wide range of patients who require acute inpatient treatment. The successful applicant would be involved with clinical service, education, and research.

Successful candidates must be licensed, or eligible for a license, to practice in Ontario. The Division of Child and Adolescent Psychiatry at the University of Western Ontario, Schulich School of Medicine and Dentistry is an expanding and stimulating environment. The position offers excellent benefits and remuneration is commensurate with academic rank.

Interested applicants should send their curriculum vitae and a letter describing their qualifications and interests to:

Margaret Steele, MD, FRCP(C), Chair, Division of Child and Adolescent Psychiatry
Schulich School of Medicine and Dentistry, University of Western Ontario, Physician Lead
Child and Adolescent Mental Health Care Program, London Health Sciences Centre, South Street Hospital
